This impressive family home has been expertly designed to provide a spacious and modern living environment, featuring energy-efficient additions such as underfloor heating, an air source heat pump, and an EV charging point.

Accessed from the front, a particularly large and welcoming entrance hall leads to all the ground floor rooms. The accommodation includes a handy guest cloakroom and a great-sized sitting room with a front aspect.

The heart of the home is the huge open-plan kitchen/diner/lounge, measuring 27'5 x 24'5. This is a perfect space for sociable family living and entertaining. An impressive staircase and central landing lead to the first floor, where you will find four bright and spacious double bedrooms. The family bathroom comprises a four-piece suite with a bath and separate shower. For added convenience, two of the bedrooms also benefit from their own high-specification shower rooms.

Externally, the property boasts a private, enclosed, south-westerly facing garden, with a large patio area perfect for entertaining and an area of lawn. To the front is a

large gravelled driveway providing ample parking for numerous vehicles, complete with an EV charging point.
